This is a hard decision made by the Sandwich Park District, but we have made these decisions with the health and safety of our residents in mind. We recommend that if you feel sick or have symptoms of the flu to stay home and practice good hygiene. While we have halted our programs and events, we still encourage you to stay active during these times and find fun activities you can do in your home. Board games, video games, blanket forts, and arts and crafts are great ways to keep you active and entertained.

Sincerely,
