

SANDWICH PARK DISTRICT

UPDATE as of 6/5/2024

Summer food program service (SFPS) is

CANCELLED

The Sandwich Park District was informed on 5/29/2024 that the Summer food service program (SFSP) is not eligible to operate at the park district facility (1001 N Latham St.) This is due to USDA rules and regulations re-determining this area as being not eligible. SFSP determines eligibility through school data, census data, or for closed programs individual child data.

We are just as disappointed in the outcome as you are but, this decision is out of our control.
